

Enclosed Vehicle Transport

PrixCar Transport is a premier vehicle transportation specialist transporting vehicles throughout Australia. As a trusted enclosed car shipping company, we provide transport options to protect your vehicle from the elements and other risks.

Whether you're:

- Moving a luxury car to use on a holiday or short-term business re-location
- Moving a racing car and need privacy and customised management
- Requiring pristine delivery and professionalism in transporting prestige vehicles to buyers, shows, exhibitions or for a private inspection
- Needing privacy for pre-launch of a new model or privacy for a single prototype vehicle

What next? If you want complete peace of mind, then our fully-enclosed car transport is the way to go.

Move your car with PrixCar!
